

School in a Box

What is American Flyers School in a Box?

Our "School in a Box" is our bundling of flight software and hardware to provide everything you will need to learn then fly flight procedures and techniques at home. . . then using your knowledge and proficiency, apply these skills in an airplane. By using this system, you can expect to actually complete your training in minimum time and by doing so, save thousands of flight training dollars. This is an educational system using simulator technology and American Flyers state of the art software to help save you time and money getting your Private license or Instrument Rating.

What is included in the purchase of School in a Box?

You will get:

Laptop computer and power cord

Yoke assembly, hardware, instructions and drivers

Rudder pedals, attachment strips, instructions and drivers

Microsoft FSX

American Flyers Flight Training Courseware and Supplement

Private or Instrument Flashcards

American Flyers learning guide, Private or Instrument

Video cable for a second monitor

Professional grade carrying case

Access to American Flyers Online written preparation program, Online Flight program, and online oral preparation program.

I already have one or more of the items offered in the School in a Box. Can I get the system minus the items I already have?

Yes. We can create a custom package to fit your needs. Contact American Flyers for further pricing 1-800-362-0808.

How do I get access to the Online Courses included in the purchase of the School in a Box?

Once the purchase is made for the School in a Box you will be automatically given access to the online courses. All you will need to do is sign in to your account and you will find the Online Courses to choose from.

Can I set up an outside monitor so there are two in use?

Absolutely. In fact, we highly recommend using the furnished laptop as the instrument panel and a second video screen which can then be set up to represent the airspace for a dramatic and realistic representation of "real world" flying. Please contact American Flyers for further setup instructions 1-800-362-0808.
